EDITOR'S TABLE

(Continued from 1st page)

Mr Charles Serna, the respectable commission agent, was swindled in a most ingenious way the other day by a Chevalier d'Industrie who represented himself as his uncle who went to Europe many years ago and had now returned with a large fortune, to make him his heir. He took up his quarters in Mr. Serna's house, borrowed 200 Nationals and some jewels from him, and then bolted. The police caught him. By some means as yet unknown the swindler got hold of papers belonging to Mr Serna's uncle, who resides in Europe, and was thus enabled to impose on the nephew.

A new Italian opera company is announced at the Eden Theatre. They will lead off with that wretched Boccacio.

Mr. Seeber's letter to the Lord Mayor about the dangers of Buenos Ayres theatres is of high interest to a population that is half-cracked, or, indeed, whole cracked on the subject of theatre-going. Mr. S. denounces the theatres of this city as nothing better than match-boxes, which would burn up in five minutes, and not a soul could escape, owing to the wretched staircases and general miserable plan of construction. Mr. Seeber considers the new theatre at Frankfort a model to be imitated.

Here's a poetic hint from Chicago for subscribers who part company with their hats when "rude Boreas" is abroad:—

"The fool gives pursuit with a running jump
When the wind skips away with his tile,
But the wise man stands on the curb and grins
Till his own is returned with a smile."

We see that the ashes of burnt 'vasura' are one of the ingredients to be employed in the 'saneamiento' of the Boca. Fine country this; but has peculiar ideas about health, history and 'hacienda.'

The *Prensa's* crusade against an imaginary Lottery in Moron for which tickets were sold by the million in Peru, Brazil and Chile, has borne good fruit. The Peruvian Consul here has asked Dr. Ortiz, Foreign Minister, for some information about the matter. We fear that the Consul is not going to hear anything that will make him dance for joy.

Zorilla, the Spanish Republican, is going to tempt Fate again in the patriotic bobbery line. If caught, he will be hanged, or rather garotted right off, as there are half a dozen sentences of death against him for previous revolutionary ructions.

The number of people exempted from paying Contribucion Directa this year is very large; why, we don't know. What we do know is that we have not been exempted, unfortunately.

The Municipal authorities have just found out that they have put the cart before the horse again, as they are wont to do on every possible occasion. The alteration in the level of several streets secures magnificent floods for the residents when it rains; and it has just dawned on scmebody in office that the 'sumideros' to carry off the waters ought to have made before the levels were altered instead of after.

We are very sorry to hear that Mr. Charles Mansilla, the Port Prefect, has had a relapse. He had to leave his office ill on Thursday, and could not attend at all yesterday.

The new continuous breaks for the Western Railway will all be out from Europe at the end of this month.

Tuesday next will be a strict holiday. In Catholic circles the great event of the day will be the pilgrimage to Lujan, which, we hear, will be on a very imposing scale.

Before they are married she will turn down his coat collar when it gets awry; but afterward she'll jerk it down into position as if she was throwing a door-mat out of the window.

Captain Delong of the steamer Diana saved three of his passengers—two girls and a gentleman—from a watery grave the other day at Parana. They were crossing the plank to the steamer when it gave way, and they all went scuse into the water. Captain D. jumped in and saved the trio.

The Provincial Government wont allow the Rioja Lottery to be drawn in Almagro. Bravo the P. G!

There are many versions going as to the 'desfalco' in the National Bank. One colleague says there is no 'desfalco' at all. Three clerks are in prison.

The papers denounce two 'individuos' going round diguised as police officers, to obtain the names etc of all 'inquilinos;' for political purposes of course.

The discovery has been made that the world does not revolve with the same momentum it did a thousand years ago, but it still swings round fast enough to satisfy the man with a heavy bill coming due.

Our colleagues have not done chaffing the Lord Mayor about the duel yet. The public have had enough of it.

The Lottery people are all going in for big things as the end of all lotteries in this city draws near. The Capital Lottery of the 24th inst has a big prize of 100,000 nats; and the Mendoza drawing for the Spanish Hospital has a like sum for chief prize. The drawing for the Irish Orphanage has four big prizes,—20,000, 10,000 and two of 5,000. Such lottery chances won't occur again.

Signor Santiago Perazzo, a gentleman who makes it a point never to drink anything but raw gin, flavoured it yesterday with some match-heads, which so disagreed with him that he roared like a bull for a doctor, and the latter arrived in time to preserve the Signor to society.

There was a bloody row in Rosario last Sunday amongst a lot of political 'compadres' in 'chiripas.' Two men killed.

These steamers have been built expressly for this route, and in their construction every modern improvement has been employed, thus affording safety, speed and every accommodation to be desired by passengers.

Important Notice.

I hereby advise the public that I have established a Gymnasium Institute at Calle Florida 406, where I also apply the MASSAGE SYSTEM as studied and practiced at Dr. KELLGREN'S well known institute in London.

This system has given the most surprising results in curing chest and lung complaints, and all maladies caused by the kidneys and joints, and in any way connected with the nervous system. Thus the celebrated SYSTEM of MASSAGE is recommended as a certain cure for rheumatism, asthma, undeveloped muscles, paralysis, disorders in the digestion and in the circulation of the blood, etc., etc.

I have also a special class for the development of the body and muscles.

The following is the time-table I have arranged for the application of the Massage System:

For Gentlemen 8 a.m. to 10 a.m. and 3 p.m. to 5 p.m.

For Ladies 12½ to 2 p.m.

Consultation hours—11.30 a.m. to 12.30.

Patients can also make arrangements for the application of the Massage System at their own residences.

December 4th, 1885
Gold ..... 42.80 o/o prem.
Cedulas G 83½
Old Gas Shares 2,000

The gold market opened very firm at 142 50, but, according as the sales were marked up, a slight decline could be noticed, touching bottom at 142.20, when it again began rising, the highest sale being 142.90, falling again to 142.60, and closing with sellers at 142.80. The sales for cash were very heavy, amounting to 312,041. For Saturday 50,000 were sold between 142.40 to 142.70, and for the end of the month 581,000, opening at 142.50, fluctuating to 143, and closing firm at 142.80, the lowest quotation being 142.40. The sales for January 31st amounted to 120,000 at prices ranging between 141.50 and 142. For May 31st a sale of 10,000 was effected at 146 "disponible". Total sales over one million.

Cedulas, Series G opened a little firmer, but immediately gave way, the opening price being 83¾, but fell to 83½ at which it closed; 30,300 sold. For December 5th 20,000 were sold at 83½, and for January 31st a sale of 10,000 deliverable was effected at 83¾. Total sales 60,300.

Fifty Old Gas Shares were marked up sold at 2,000, shewing a fall of 70 paper dollars on these sold by Mr Templeton at the end of the month. This shows a decline in such a short time.

Mr John McDonald, of Villa Nueva, sold his wool this morning at the splendid price of 120 m/c the arroba. We offer Don Juan our warmest congratulations on getting one of the highest prices this year. Messrs Duggan Bros. brokers.

This morning, great anxiety reigned on the Bolsa regarding the official Banks drawing exchange for the 8th. An English broker said that the Banks were to fix the rate to-day at 1 p.m., but on enquiring at the Banks they knew nothing about it. Another broker stated that a Director had told him that one of the Banks was at the moment drawing exchange; but this also turned out a "bola" on applying to the Bank.

To-day they are discussing in La Plata the removal of the Mortgage Bank out there, turning the head office here into a branch bank. This matter has been discussed for over a twelve month, so it is very probable that it will be definitely decided now. Should it take place, the branch here will only have power to lend money in the city, which will visibly affect the Cedula market.

No telegrams were received to-day from London. Last night's telegrams stated that the Conservatives (including the Parnellites) are still in the ascentant, which verifies our brother editor's cablegram.

The beautiful Ledesma quinta in Caballito, on the Flores Road, was sold recently for 40,000 m/n, a very fair price; buyer Mr Pedro Costa.

Discounts were a little weaker this morning; first-class paper being quoted at 7 o/o.

The Orione, from Genoa, arrived last night in Montevideo. She has on board 1,400 emigrants and 1,000 tons of cargo. It is really wonderful the large number of people coming out here at present, and there are few countries indeed where one sees a large steamer entering port with more passengers on board than tons of cargo.

The Tagus arrived this morning; her mails and these of the Britannia come up to-night by the Apolo. The Barden Tower, of the Clyde Line, also arrived last night in Montevideo.

The Montevidean Senate has authorised the Government to coin 1½ million silver dollars.

The following is a summary of operations effected this morning at the ring during official hours:—

The sale of a nice quinta property in Flores, a few squares from the railway and adjoining Mr. M G. Mulhall's quinta, is reported for 14,500 m/n; the legal valuation was 12,000 m/n. The premises measure 30 x 120, with a fine new dwelling-house, and the place is considered to have been sold cheap. Many of the people in Flores knew nothing whatever of the auction until after it came off.

Mr E Casey had a long interview with President Roca to-day at the Government House, on the subject of the new British Hospital. President Roca has kindly promised to act as "padrino" and to lay the foundation-stone in a few days, of which ceremony due notice will be given.

Some few years ago it was predicted that the day would come when the Italian steamers would bring out here more passengers than tons of cargo, and to-day the prediction was verified. A steamer entered with 1400 emigrants and 1000 tons of cargo. Mr Cibils, Mr Rufino Varela, Mr Hughes and many others on 'Change commented on the matter, which may be accepted as a veritable sign of the times we live in.

The Provincial Bank of Entre Rios is about to open agencies in Gualeguay and other country towns of Entre Rios.

Don Gregorio Soler is reported to have bought an estancia, 1250 hectareas, on the Sauce Corto, for 6550 m/n.

All the farmers and chacreros who sowed and lost their lino crop in this province are now sowing maize in the land occupied by the lino. We hope they will have a good crop.

There was a fair amount of exchange passed in paper, rates being 33¾ to ¾.

There was an awful hub-bub the moment the London telegram was posted, nearly all the brokers asserting that the quotations were wrong. We give the figures lower down as they were posted.

The gold market during afterhours was much firmer than this morning, the rate rising 1 per cent. About 4 p.m. a small amount was sold at 43.20 but just before the hour struck, gold was in strong demand at 43.50. From 330 to 350,000 sold. For to-morrow gold was quoted at 43,50 and for end of month 143, buyers.

There was nothing new about the official banks and exchange. It is stated that both banks will draw, but up to the present the brokers are quite in the dark and know nothing. The rate has not yet been fixed.

At the Plaza Once the following business reported:—

221 waggons with produce arrived.
The arrivals were:—
32,400 @ of wool
753 doz. sheepskins
235 doz. corderitos
115 cow hides

and much other produce.

Freight Report—
As we anticipated, rates have improved considerably, and several steamers of the regular lines have obtained from 20 to 25 francs per cubic metre for direct port. A few of the outside boats have once or twice reduced rates by accepting from 15 to 20 francs, but on the whole they are tolerably steady. As yet only small quantities of wool have gone forward, and rates will no doubt go on improving till January or February, when we expect they will be much higher.
For sailing vessels, outside of those chartered for the U. States, very few charters have been effected; but reference to the list given above will show at a glance the large amount of cargo going to the U. States, consisting principally of dry hides. Besides these sailing vessels, the amount taken by steamers during the last two months is much above the average.
The Montevidean saladeros slaughtered 30,756 head of cattle up to the 3rd inst., as follows:—
